AM    PM

Your Facts account will be billed by the 15<sup>th</sup> of the month for your plan prior to using Extended Care services and must be paid by the first of the month of service. If you are enrolling more than one student, you will be charged the Family Rate.

If you choose the 'up to 15 sessions' and go over that amount, your Facts account will be automatically charged for the difference between the 'up to 15 sessions' rate and the '16+ sessions' rate, and must be paid immediately. Please notify Extended Care staff or the school office if you wish to change or end your Extended Care plan.
